South Jersey Gas Encourages Teens to Pursue Careers In Science, Technology

FOLSOM, NJ, June, 28, 2016 – South Jersey Gas, the American Association of University Women (AAUW), and Atlantic Cape Community College Foundation sponsored the first Teentech event inspiring 70 high school students through a day of hands-on science-based workshops in Mays Landing, New Jersey. The event encouraged young women in grades nine through eleven to further their education in Science, Technology, Engineering and Math (STEM) fields.
