

FIRST RESPONDERS GRANT PROGRAM

The South Jersey Gas First Responders Grant Program is intended to provide critical support for operations conducted by first responder departments.

First Responders Grant Program Guidelines

- Grants will be given to organizations that are geographically located in the service area and whose programs benefit customers of South Jersey Gas.
- Grant recipients will be selected based on community benefits, competitive use of funds and ability to successfully complete the identified project.
- We will not consider organizations that discriminate based on age, gender, sexual orientation, marital status, physical or mental disabilities, race, color, religion, national origin or ancestry, or any other basis prohibited by law.

Eligible Applicants Must:

- Be first responder departments comprised of paid staff or volunteers that serve within the South Jersey Gas service area
- Have a section 501(c)(3) determination from the Internal Revenue Service ("IRS")
- Use the grant to fund training or purchase/upgrade gear and equipment utilized to protect volunteer fire and/or EMS personnel, police and/or the community
- Provide a current W-9
