Thank you for your interest in natural gas. We look forward to serving you!

The following is a description of the steps necessary to facilitate natural gas service to your business should your application be approved.

- Complete the Application for Service and Commercial Information & Commercial Equipment

 Requirements forms. Return them to South Jersey Gas. Keep the customer copy for your records.
- For New Construction Only Provide 2 copies of the site utility plan with your application. 2.
- Provide a copy of your mechanical or plumbing plan and a detailed list of your equipment, pressure requirements and projected gas loads.
- Once your signed Application for Service is received, we will complete an onsite inspection and apply for any approvals and/or permits to run the main and/or service. Please be advised, the State/County/Municipality may deny a street opening permit. Do not install any equipment until you receive notice that your application was approved.
- 5. Clearly mark the exact meter location with a stake marked "Gas Meter" and check your site for any obstructions to service installation. Obstructions must be cleared or service installation will be delayed. Site must be at final grade.
- Clearly mark out all underground obstacles and/or lines that have been privately installed.
- When all items above are complete, South Jersey Gas will install your service line. $7. \,$
- 8. Upon completion of service installation, you will need to schedule the gas meter installation. Please contact the South Jersey Gas Meter Installation/Builders Line at 609.561.9027 to schedule your gas meter installation within 90 days. Allow five to ten working days for installation. All equipment requiring natural gas and the associated fuel lines must be inspected and approved by the municipality. Approved City Inspection stickers/tags must be available at the property. Be prepared to review all gas equipment, pressure requirements and loads.
- Call BEFORE you dig! IT'S THE LAW! **811 or 1.800.272.1000** 9.
- Emergency 24 Hour Gas Leak Hotline **1.800.582.7060** 10.

We will be pleased to answer any questions you may have to assist you with this process.
