

IDENTIFY YOUR HOME'S POTENTIAL TO SAVE YOU MONEY AND USE LESS ENERGY

FREE Quick Home Energy Checkup in 60 minutes

Receive a FREE in-home energy assessment from a Certified Energy Auditor, who will provide a written report with recommendations on how to reduce your home's energy use. You may also receive LED lightbulbs, faucet aerators, showerheads and/or pipe insulation, all at no cost during the assessment.

Take your home to the next level of energy efficiency with

Home Performance with ENERGY STAR®

A certified Participating Contractor will perform an in-home energy audit to identify energy saving improvements and provide you with a comprehensive report. 0% APR financing and/or up to \$5,000 in rebates for selected improvements.

Schedule now 1.833.493.0691 • SJGSaveEnergy.com/July2024
